

Roundup of the Best Cosmetic Surgeons in NYC

If you're looking to undergo cosmetic surgery, here are three cosmetic surgeons located in New York City, known for their skill and expertise.

Dr. Phillip Miller: Dr. Philip Miller is a cosmetic surgeon that has remained on the list of Best Doctors in America since 2007. He specializes in facial surgeries, including plastic, cosmetic, and rejuvenation procedures. Due to his extensive training, studying and applied experience of over twenty years, he attracts many patients, including an extensive-secret celebrity list.

Dr. Phillip Miller has also been featured in many magazines like *W Magazine*, *Marie Claire* and *The Wall Street Journal*, in addition to newspaper articles, each displaying his knowledge and success. He was recently featured in *Elle Magazine* - who reports that Dr. Phillip Miller is NYC's best facial plastic surgeon. Dr. Phillip Miller has been the recipient of many doctoral awards including Top Doctor of New York.

If you want to engage in more information and stay connected regarding Dr. Phillip Miller, be sure to follow him on [Twitter](#), and [YouTube](#) to catch his latest interviews and answers. He also has an app! If you have an iPhone or Android you can download his [App](#) to stay up to date on his practices and procedures.

Dr. Kolker: Dr. Adam R. Kolker focuses his practice on facial cosmetic surgery as well as breast and body augmentations. Not only does Dr. Kolker serve in his practice, but also finds the time to exert the position of a surgical volunteer for Operation Smile. Operation Smile is a non-profit organization that Dr. Kolker is a proud representative of. The organization helps children all around the world by performing free surgery to those in need.

In addition to Dr. Kolker's success, he has produced his own line of skin care products entitled, [AKMD](#). For every AKMD product sold, a portion is generously donated to Operation Smile.
